

Join as a Member for the 2021-2022 Season Today!

We're proud to support the Michigan State University Men's Basketball Program and invite you to join us by becoming a member of the MSU Rebounders Club today! We're focused on finding and including every fan out there that bleeds green and showing our pride and support—especially after a year of no in-person events!! Historically, we've helped build the program to its elite status by contributing funds for video equipment, locker room & barbershop improvements, and a custom large golf cart for showing off our beautiful campus to recruits and their families. Our season opens with a Member ONLY event at Breslin on Monday, November 1st, the 12th Annual Member Tip-Off. This event includes the opportunity to watch some of practice and hear from the coaches and staff. (can join at the door, Concessions will be open and more info on time and parking to come)

We also plan to have our Luncheons again this year with great speakers and raffle prizes. The location will be new and announced soon, along with dates once finalized with the basketball office. Of course, with the on-going Pandemic, your flexibility and patience are appreciated as always, we are just excited to get together again!

To become a member of MSU Rebounders Club, send the application below or submit/pay online on our website. Membership includes a set of our MSU player cards and FREE admission to the Member-Only Tip-Off, discounted admission to luncheons and 10% discount at the Alumni Hall store.
